**TO ALL PARTICIPATING BIDDERS**

Dear Sirs,

**RE: UNES/USAID/HEALTHIT/010/2020-2021 – CONSULTANCY FOR APPLICATION SOFTWARE DEVELOPMENT (ENTERPRISE SCALE DIGITAL HEALTH APPLICATIONS)**

**ADDENDUM NO. 001:**

We refer to the above Request for Proposal (RFP) tender dated 2<sup>nd</sup> March, 2021.

This follows a clarification sought by some of the bidders. We wish to clarify as follows for each of the item: -

1. Are you looking at leasing the software as we already have the system or are you looking to buy the intellectual property. We already have the solution and so, kindly clarify if you are looking to lease it from us and we can customize it further or do you want to buy the system outright.

**These are existing Digital Health Applications. The consultancy will involve understanding the existing applications and develop modules to enhance the system.**

2. For enhancement of TIBU into a patient care management system, please also provide some basic technical information on TIBU.

**More information on this will be found on this link: <https://www.chskenya.org/wp-content/uploads/2019/04/National-Strategic-Plan-2019-2023.pdf>**

In addition, the proposals submission date has been postponed to **19th March, 2021 at 10.00am.**

The rest of the terms of the tender remain the same.

Thank you.
